House Bill No. 2324*

by deleting all the language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 50-7-213(a), is amended by deleting the language "seven thousand dollars (\$7,000)" in the second and third sentences and substituting instead the language "the taxable wage base, as defined in subsection (e) of this section."

SECTION 2. Tennessee Code Annotated, Section 50-7-213(b), is amended by deleting the language in the last sentence "seven thousand dollars (\$7,000) referred to in subsection (a)." and substituting instead "the taxable wage base, referred to herein as defined in subsection (e) of this section."

SECTION 3. Tennessee Code Annotated, Section 50-7-213, is amended by adding the following language as a new subsection (e):

(e) For purposes of this chapter, "taxable wage base" means:

(1) The first seven thousand dollars (\$7,000) paid to each individual employee during a calendar year with respect to the calendar years beginning January 1, 1983, and ending December 31, 2008; and

(2) The first nine thousand dollars (\$9,000) paid to each individual employee during a calendar year with respect to the calendar year beginning January 1, 2009, and thereafter.

SECTION 4. Tennessee Code Annotated, Section 50-7-218, is amended by deleting the section in its entirety and substituting instead the following:

§ 50-7-218. "Base period" defined. - "Base period" means, with respect to each claimant, either the first four (4) of the last five (5) completed calendar quarters or the

last four (4) completed calendar quarters immediately preceding the first day of the claimant's benefit year. For the purposes of establishing a base period, the department shall initially use the first four (4) of the last five (5) calendar quarters. If there are insufficient wages to monetarily qualify for benefits as defined in § 50-7-301(d)(3) or (4), the department shall use the last four (4) completed calendar quarters as the base period. Computations using the last four (4) completed calendar quarters shall be based upon all available wage items processed as of the close of business on the day preceding the date of application for unemployment benefits. The department shall promptly contact employers to request assistance in obtaining wage information for the last completed calendar quarter if it has not been reported at the time of the initial application for unemployment benefits. No benefits shall be payable utilizing the last four (4) completed calendar quarters as the base period until such time as the commissioner shall certify to the department of finance and administration that the mechanism and resources necessary for the prompt and efficient payment of such benefits are in place, except that in no event shall such certification fail to meet the deadline imposed by the American Recovery and Reinvestment Act of 2009 for the payment of such benefits in order to receive federal funding under the act.

SECTION 5. Tennessee Code Annotated, Section 50-7-301, is amended by inserting the following language as a new subsection (e):

(1) A claimant eligible for benefits shall be paid for each benefit week an additional sum of fifteen dollars (\$15.00), not to exceed a total of fifty dollars (\$50.00), for each un-emancipated minor child of the claimant who is in fact wholly or mainly supported by the claimant and is:

(A) Less than eighteen (18) years of age and un-married;

(B) Less than eighteen (18) years of age and in the claimant's custody pending the adjudication of a petition filed by the claimant for the adoption of the child in a court of competent jurisdiction; or

(C) Less than eighteen (18) years of age and for whom the claimant, pursuant to a decree or order from a court of competent jurisdiction, is required to contribute to the child's support and for whom no other person is receiving allowances under this subsection if the child is domiciled within the United States or its territories or possessions, the payment to be withheld and paid pursuant to § 50-7-611.

(2) The amount of dependency benefits determined as of the beginning of a claimant's benefit year shall not be reduced for the duration of the benefit year; provided, however, that this provision does not prevent the transfer of dependents' benefits from one (1) spouse to another in accordance with this subsection. If both the husband and wife receive benefits with respect to a week of unemployment, only one (1) of them is entitled to a dependency allowance with respect to a child. Priority for the dependency allowance will be given to the custodial parent in cases where the parents are divorced or separated and to the first to file a claim for benefits in cases where the parents reside together. Dependency benefits shall not be paid unless the claimant submits documentation satisfactory to the division establishing the existence of the claimed dependent. If the provisions of this subsection are satisfied, an otherwise eligible claimant who has been appointed guardian of a dependent child by a court of competent jurisdiction shall be paid dependency benefits.

(3) No benefits shall be payable pursuant to this subsection (e) until such time as the commissioner shall certify to the department of finance and administration that the mechanism and resources necessary for the prompt and efficient payment of such benefits are in place, except that in no event shall such certification fail to meet the deadline imposed by the American Recovery and Reinvestment Act of 2009 for the payment of such benefits in order to receive federal funding under the act.

SECTION 6. Tennessee Code Annotated, Section 50-7-302(a)(4), is amended by adding the following language as a new subdivision (F):

(F) No claimant, who is otherwise eligible, shall be deemed ineligible for benefits solely for the reason that the claimant seeks, applies for, or accepts only part-time work, instead of full-time work, if the part-time work is for a minimum of twenty (20) hours per week.

SECTION 7. Tennessee Code Annotated, Section 50-7-305(a)(6) is amended by adding the following language as a new subdivision (D):

(D) Notwithstanding the provisions of subdivisions (a)(6)(A-C), for the period beginning January 1, 2009, the state “on” indicator shall be determined as follows:

(1) The rate of insured unemployment under the state law for the period consisting of that week and the immediately preceding twelve (12) weeks:

(i) Equaled or exceeded one hundred twenty percent (120%) of the average of the rates for the corresponding thirteen-week period ending in each of the preceding two (2) calendar years; and

(ii) Equaled or exceeded five percent (5%); or

(2) The rate of insured unemployment pursuant to subdivision (a)(7) for the period consisting of that week and the immediately preceding twelve (12) weeks equaled or exceeded six percent (6%), regardless of the rate of insured unemployment in the two (2) previous years; or

(3) With respect to benefits for weeks of unemployment beginning after January 1, 2009:

(i) The average rate of total unemployment (seasonally adjusted), as determined by the United States Secretary of Labor, for the period consisting of the most recent three (3) months for which data for all states are published before the close of that week equals or exceeds six and one-half percent (6.5%), and

(ii) The average rate of total unemployment in the state (seasonally adjusted), as determined by the United States Secretary of Labor, for the three (3) month period referred to in subdivision (i), equals

or exceeds one hundred ten percent (110%) of such average for either or both of the corresponding three-month periods ending in the two (2) preceding calendar years.

(4) Notwithstanding the provisions of § 50-7-305(f)(1), for extended benefit payments after January 1, 2009, the total extended benefit amount payable to any eligible claimant with respect to such claimant's applicable benefit year shall be eighty percent (80%) of the total amount of regular benefits that were payable to such eligible claimant under this chapter in such eligible claimant's applicable benefit year, provided that the American Recovery and Reinvestment Act of 2009 provides full federal funding of extended unemployment compensation.

(5) No benefits shall be payable hereunder until such time as the commissioner shall certify to the department of finance and administration that the mechanism and resources necessary for the prompt and efficient payment of such benefits are in place, except that in no event shall such certification fail to meet the deadline imposed by the American Recovery and Reinvestment Act of 2009 for the payment of such benefits in order to receive federal funding under the act.

(6) The provisions of this subdivision (D) shall expire on May 30, 2010, unless reauthorized by the general assembly.
